Linnea performs detailed analysis of accounting materials to identify potentially voidable transactions. She scrutinises financial records in order to identify transactions that may be reversed or invalidated under bankruptcy laws.

PRACTICE AREAS

Insolvency Law and Restructuring

Additionally, Linnea identifies assets and detects improper activities within bankruptcy estates, such as fraudulent transactions or misconduct.

Linnea brings over 10 years of experience in accounting, having previously worked as an auditor. She has obtained a Graduate Diploma in Business Administration (Financial and Management Accounting) followed by a Master of Science (MSc) in Business Administration and Auditing.

All in our Insolvency Law and Restructuring team work closely together, dedicated to safeguarding creditors' rights.
